PROFESSIONAL EXPERIENCE

- **2008 – 2009** ◇ **VASS** ◇ **Project & Team Lead**. Responsible for architecture, analysis, development effort, team management and maintenance of collaborative portal for BT resellers, built on MOSS 2007, WSS, VSTO, InfoPath and SOA. Managed integration with third party vendors and platforms. While working for VASS I have also worked on shorter projects as a **BizTalk 2003 Consultant** for Repsol and as a **SharePoint and WWF consultant** for Isban and Fedit.
- **2007** ◇ **NetEra Solutions S.L.** ◇ **Partner / Technical Lead** in ◇ Project lead and technical consultant for clients such as Thales Transactions, Gigigo Mobile Services or Bahía IT. Most significant project was the architecting and leading of the development of a social network on the asp.net platform.
- **2006 – 2007** ◇ **Renacimiento Sistemas** ◇ **Consultant** ◇ Development and implementation of a SOA architecture for the Architecture department of **Banco Popular**. Development of different distributed and proof of concept applications under VS2005, .NET 2.0., WSE 3.0, XML, MQ Series and BizTalk 2003.
- **2006** ◇ **Freelance Solution Architect / Software Engineer** for **Soluziona / Banco de España**. My role involved the analysis, definition and development of n-tier architectures in a transactional environment as well as the design and coding of business and data layers and classes. Led the team that redesigned the application's architecture to make it work and ease development. VB.Net, ASP.Net, UML, PowerDesigner, Oracle 9.
- **2005 – 2006** ◇ **Freelance Architect / Software Engineer** for **ITSEMAP**. Architectural designs for commercial insurance and risk-related applications, design and coding of complete modules, layers and user controls. C#, IIS 6.0, Oracle 8, SQL Server 2000, Sybase Power Designer, ASP.Net, WinForms, XML, SQL SERVER, HTML.
- **2004 –2005** ◇ **Kato Studios** ◇ **Senior Developer**. Analysis and development of in-house .Net projects (asp.net intranet, productivity tools for game dev, server apps, online gaming server) and j2me games. C#, IIS Administration, ASP, ASP.Net, Visio Enterprise, MySQL, JWireless Toolkit, Eclipse.
- **2004** ◇ Avande ◇ **Senior Developer** in the development of several modules of a CRM Application for **Euskaltel**. C#, ASP.Net, Embarcadero DBArtisan, Visio, Vantive Client y Vantive Forms Designer.
- **2003 – 2004** ◇ **IT Manager** ◇ **C&S** ◇ In-house development (VB.net and VB6.0, Sql Server, Access, Excel, Xml and Html) and some system administration (2000 and XP) for a small and defunct translation shop.
- **2001 –2003** - **Garben Consultores S.L.** – VB6 and VB.Net **Developer** for different in-house projects. I also worked for a client of theirs, RSI, a nation-wide bank support house. VB6.0 and VB.Net, C, Java, Windows Server Administration, Lotus Notes.
- **2001** – **DMR Consulting** (now **Everis**). **Junior Developer** in a wide upgrade project for **Telefonica Móviles**. C, Oracle, PL/SQL, Oracle Forms 3.0 on VMS.

ADDITIONAL EXPERIENCE

- 2003 / 2004 Trainer for **Microforum** in technologies and areas such as ASP.Net, Web Services, XML and COM+ and VB.Net, Programming principles, Javascript, Dhtml and Css.
- From 1996 onwards. Freelance English / Spanish translator of technical manuals, essays, help files, sociology books and texts from different Spanish and European institutions and private companies.

FORMAL TRAINING

2000 – 2001 **Master in Internet Systems Development.** Garben. Madrid.

1992 – 1997 **English Language and Literature.** University of Sevilla.

LANGUAGES.

ENGLISH: Accomplished skills. Extensive translation experience. Excellent reading and writing skills. 2-year stay in London. **Certificate of Proficiency in English** from Cambridge University.

OTHERS: some Italian, and currently struggling to learn Mandarin.

INTERESTS

Very keen on traveling, reading, photography, learning, the Microsoft application stack, talking with intelligent people, fine food and beverages, interpreted languages, cars, business and financial stuff, self-learning, running and sports in general. Used to play guitar a lot and write music back when I had more free time, now just sometimes.
